SANELE MLONDI MKHABELA

SOFTWARE DEVELOPER

PROFESSIONAL PROFILE

I am a growth IT Specialist with 2 years of experience in Software Development at Mangosuthu University of Technology, sharp-minded person with leadership & coding skills. Strong time-management skills and work ethic. Revenue- and results-driven.

WORK EXPERIENCE

Supervisor

December 2021 - February 2022

I once worked as a Supervisor at a Construction company called Syapatanisa Emerging contractors. With 3 months of experience as a construction supervisor, I have always been committed to achieving, project success, team development and following industry standards. I have proven track record of implementing projects within the given budget and timeline. My leadership style is proactive and driven to ensure excellence in construction management.
